AMEND Senate Bill No. 1684*

House Bill No. 1693

by deleting subdivision (a)(1) in the amendatory language of Section 1 of the bill and substituting instead:

(1) Contract for services with any person or entity; provided, however, that no more than three (3) charter applications per school year shall be approved statewide for charter schools that shall be managed or operated by for-profit charter management organizations. If an LEA determines that it shall approve an application for a charter school to be operated or managed by a for-profit charter management organization, the LEA shall notify the state board of education. If the state board has received fewer than three (3) such notifications, the state board shall inform the LEA that the application may be approved. If the state board has received three (3) or more notifications, the state board shall notify the LEA that it shall deny the application or it may allow the sponsor to amend the application to remove the for-profit charter management organization as the operator or manager of the proposed charter school. The limitation on the number of such schools that may be approved shall begin with charter applications seeking to open charter schools in the 2015-2016 school year and shall continue through the 2019-2020 school year;
